

Lower Florida Keys Hospital District Board

Effective on the start of the new fiscal year, 11/1/2025, my monthly rate for bookkeeping services for the Lower Florida Keys Hospital District will increase from \$500.00 to \$600.00.

The Board has compensated me with \$500.00 per month since March of 2017 when I began working with you. In the 8 years since we negotiated that rate, my costs of doing business have increased along with the hours spent preparing your reports in a timely manner.

I am sending this to you now with the hope it gives you ample time to discuss in your next meeting. Please do not hesitate to reach out to me with any questions or concerns. I appreciate the opportunity you've given me to work with you all.

Sincerely,

Carol Narkiewicz
